Rules

- Time allowed: **90 minutes**
 - Wait for start signal
- Questions marked with ★/★★ will resolve ties (first total stars, and if still unresolved, count of double stars)
 - No negative marking
 - No half marks for any question
- When the answer is a person's name a correct surname will do, unless the full name is specifically asked for
 - A wrong first name but correct surname will count as a wrong answer
- Mobiles, smartphones and similar gadgets must be switched off. Usage will lead to immediate disqualification
 - Any attempt at skulduggery will result in immediate disqualification
- Explanations are provided with the answers. Your scores at the end of correction will be final. If you have an issue, discuss it with your proctor. Unresolved issues need to be brought to the attention of the quiz setting team by email within 3 days. Copy the proctor on the email.
